GOLDLEAF FOOD SERVICE DISPLAYS

To Our Valued Distributors:

At Goldleaf Food Service Displays, we have spent nearly three decades helping customers meet their display needs, and we value the important role that distributors have played in our success.

Using our extensive expertise, advanced equipment and ISO-certified programs, we manufacture food service items with superior durability and craftsmanship. By doing so, we strive to provide maximum value and functionality so that your customers come back again and again looking for new products and repurchasing those items they've come to rely on. That's the best way we can think of to demonstrate our value to you!

And that value extends beyond our product design to include a wide array of related service and support:

- Assistance in selecting the right product assortment for your business.
- A turn-key delivery program to grow your sales with no investment in warehouse space or inventory.
- Direct shipment of standard, in-stock products to your customers with low minimums and quick turnaround.
- Reinforced packaging to help ensure damage-free delivery.
- A unique and steadily growing food service product line featuring nearly 100 items.
- A distributor-focused website specially designed to help you build brand awareness and send new customer leads your way.

Visit our web site often for the latest news and product information! And be sure to contact us with your product suggestions.

Thank you for your continued support!

Sincerely,
Goldleaf Food Service Displays

ADD-ON SALE

REPLACEMENT TRAYS will help ensure that your customers have clean, empty trays ready to slide in their bakery cases, or pre-filled replacements ready-to-go when needed to replenish product. A few back-ups are always a good idea, too, in case of unintended damage or breakage. And the trays also work ideally as serving platters!

BEVERAGE ACCESSORY ITEMS

In a compact, high-traffic beverage service area, it's critical to have all service items conveniently displayed and easy to access!

Our broad selection of top-quality, functional accessories includes cup and lid dispensers, syrup bottle holders, scoop holders, napkin holders and coffee amenity organizers. Many items will accommodate either wall mounting or counter display depending on specific space needs.

- Shipping weight: 6 lbs

QUICK TIP!

Be sure to provide accessory items that accommodate a wide variety of customer needs. For instance:

- Several smaller sized dispensers placed in different locations might work better than one large centralized unit, especially if your customers' hot and cold beverage areas are spread apart.
- Wall mounted organizers might work better than countertop units if surface space is very limited.
- If cup lids are black, displaying them in a clear organizer (rather than black) will help make them easier to see.

PLASTIC CLEANING PRODUCTS

Proper care and cleaning can help your customers get maximum life and utilization from their displays, organizers or other plastic accessory items.

A number of specially-formulated Novus® cleaning products are available to help clean and shine without scratching, and even remove fine scratches, haziness and abrasions.

CLEANING PRODUCTS

Novus® #1 Plastic Clean & Shine

Cleans plastics without scratching. Product buffs to a clean and lustrous shine that resists fogging, repels dust, and eliminates static. Available in both spray bottle and refill sizes:

ITEM #: PC10

8 oz. Spray Bottle

- Packed 12 per carton
- Shipping dimensions: 13"w x 13"d x 13"h
- Shipping weight: 9 lbs.

ITEM #: PC108

64 oz. Spray Bottle Refill

- Packed one per carton
- Shipping dimensions: 15"w x 13"d x 11"h
- Shipping weight: 5 lbs.

Novus® #2 Fine Scratch Remover

Works gently to remove fine scratches, haziness and abrasions from most plastics. Repeated use can help restore faded and discolored plastics. Available in both spray bottle and refill sizes:

ITEM #: PC20

8 oz. Bottle

- Packed 12 per carton
- Shipping dimensions: 13"w x 13"d x 13"h
- Shipping weight: 9 lbs.

ITEM #: PC208

64 oz. Bottle Refill

- Packed one per carton
- Shipping dimensions: 15"w x 13"d x 11"h
- Shipping weight: 5 lbs.

HERE ARE A FEW GENERAL TIPS TO HELP EXTEND THE LIFE OF PLASTIC DISPLAYS:

- Use warm, mild soapy water to remove any large debris before attempting to clean.
- When using scratch remover, apply back and forth motions at a right angle to scratches. Follow with another coat in a circular motion.
- Use a clean, soft cloth or chamois for wiping and buffing.

IMPORTANT REMINDERS: Always avoid using an alcohol or ammonia based cleaner on plastic! (Even the highest quality displays can crack or craze in some cases with first use.) Do not use Novus Scratch Remover on coated plastics such as eyeglasses. And always allow a hot item time to cool before using Novus products.

THE GOLDLEAF DIFFERENCE

Founded in 1983, Goldleaf Plastics, Inc. has grown to become one of America's premier plastic fabrication and distribution companies. We're respected for our broad industry knowledge, outstanding customer service, a team-driven ISO 9001:2008 quality program, leading-edge technology, design and engineering expertise, and a state-of-the-art manufacturing facility.

We are a WBE Certified, Woman Owned Business, and a proud member of the Association for Retail Environments (ARE).

With our Goldleaf Food Service Displays brand, we offer a wide selection of unique, durable, attractive and functional organizers and display items. Our growing line of food service products includes:

- Acrylic Bakery Cases
- Beverage Accessory Items
- Literature and Sign Holders
- Acrylic Food Bins
- Organizers and Condiment Caddies

Our list of food service customers includes hotels, convenience stores, restaurants, bakeries and caterers located throughout the entire U.S. Combined, these clients use thousands of standard and custom products to help with the efficient operation of their businesses.

Whether it's the beverage service caddy in your local convenience store, the menu card holder in your favorite restaurant or the donut case at the grocery store, you've most likely seen and used one of the many products from Goldleaf Food Service Displays.

And that's not all. You'll also find Goldleaf-manufactured products used for retail fixtures and trade show displays, for museum and gallery exhibits, in manufacturing/industrial products, in marine and recreation vehicles, in our AP Outdoors line and much more!

In all cases, what sets us apart is our leading-edge technology combined with our design and engineering expertise!

Learn more about our custom capabilities on the following pages.

We develop custom plastic products for both large and small businesses throughout the entire U.S.

CUSTOM PRODUCTS

Whether your business requires a uniquely sized or shaped organizer, a line of custom branded sign holders, or a full-blown, multi-dimensional display, we can work with you to design, manufacture and deliver exactly what you need.

At Goldleaf, we work with hundreds of different customers from large telecommunications companies to restaurant chains to individual retailers – all with unique needs related to marketing strategies, demographics, work environment and other factors.

For example, the needs of a sports bar catering primarily to adults in their twenties and thirties are much different from the needs of a family-oriented restaurant with specific attractions for kids. A high-end retail service environment has requirements that are much different from those of a commodity distribution business.

No matter what your unique display needs might be, we can work with you on custom styling and branding to achieve the results you're looking for.

CUSTOM CAPABILITIES

From aesthetic appeal to functionality to tight production tolerance, every detail of a project requires precise attention to ensure that the end result is exactly what's needed.

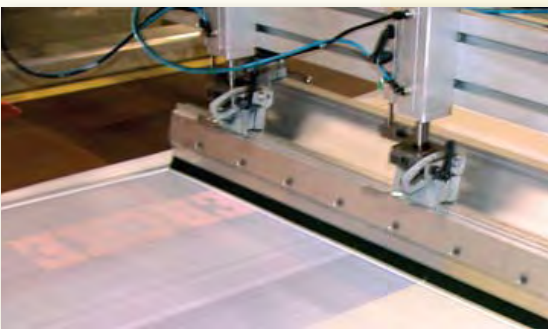

What makes it all happen is our extensive in-house expertise combined with our industry-leading equipment and technology.

Our custom support, manufacturing and service capabilities include:

- Design & Engineering Support
- Custom Fabrication
- Drape Forming
- Vacuum Forming
- CNC Routing
- 5-Axis Routing
- In-House Prototyping
- Sheet Distribution
- Screen Printing
- Digital Printing
- Custom Packaging
- Logistics Management
- Project Management

Creating Your Custom Products!

Our in-house team of experts can help design, manufacture and deliver the exact custom products you need.

Do you have a customer or business with a unique size, style or branding project? Our Goldleaf team can take that project from concept to reality! It's all in the details:

- Starting with our Design Engineering Team, we'll work with you to identify your requirements and vision. We'll also provide ideas and suggest modifications to help you save money, maximize efficiency and achieve the desired results.
- Using the latest CAD/CAM and 3D modeling technology, our team will create production drawings to ensure your display is built to your exact specifications.
- We'll quickly and efficiently provide you with a production-ready prototype made in-house so you can "see" how your finished product will look.
- With cutting edge CNC equipment, vacuum forming, drape forming, and branding/printing capabilities, our first-rate Production Team will manufacture, package and ship exactly what you need!
- Our experienced Account Executives and support team will stay connected with you every step of the way, answering your questions and communicating the progress of your project.

It's all part of the quality, service and support you can expect from Goldleaf!

TERMS AND CONDITIONS

Terms and Conditions

Terms

Net 30 days with approved credit. Initial orders for new customers must be accompanied by a tax exemption certificate and credit application. The minimum order is \$50.00 net. A \$10.00 service charge will be added to all orders under \$50.00. Merchandise ordered in less than full cases will be subject to a \$5.00 charge for each broken case. Descriptive or typographical errors are subject to correction. We reserve the right to change pricing or product specifications without notice. All sizes and weights shown are approximate. "Add ons" arriving after shipment of original order will be subject to terms of a new order. Goldleaf reserves the right to cancel backorders on prepaid shipments. All orders are subject to acceptance by Goldleaf Plastics. Special order or custom-made merchandise may require a deposit and is non-cancelable.

Shipping and Freight

Orders may be acknowledged with an "expected shipping date" based on current production schedules. It is not a guaranteed commitment to ship on that date.

Based on the requirements of our shipping carriers, the following general rules apply:

- 1) A \$50.00 large package surcharge applies when Length + Girth combined exceeds 130".
- 2) For Domestic Ground Shipments, the following formula is used to determine if "dimensional weight" applies:
 - When the LENGTH x WIDTH x HEIGHT = 5,184 or more, dimensional weight applies. (Divide the LxWxH by 166 to determine the billable weight.)
 - When the LENGTH X WIDTH X HEIGHT = 5,183 or less, the actual weight applies with no additional charges.
- 3) For Domestic Air Shipments, charges are ALWAYS determined by dimensional weight.
- 4) Truck indicates that the item needs to ship via LTL (Less Than Truckload)

For additional information on shipping costs and services, visit www.ups.com and www.fedex.com.

Returns

No merchandise will be accepted for return without an RMA # from Goldleaf. The request to return merchandise must be made within 30 days of the invoice date; freight prepaid and is subject to a 20% restocking charge. All merchandise must be unused and in original packaging to insure that it is received in resalable condition and is in its original shipping cartons and full cases. The amount of credit issued will be based on the condition of the goods when received. Returns will not be accepted on special or custom-made merchandise.

Damaged Merchandise

We make every effort to package and ship your order so that it is not damaged during transport. However, if damage occurs, we want to help you address the problem right away. Please follow these steps:

- Carefully inspect your shipment as soon as it arrives.
- Call us immediately if there is any damage.
- Keep all original packaging together and intact.
- Secure the item(s) in a safe place. Hold the product for 10 business days, then discard.
- Goldleaf Food Service Displays will call the carrier to file a claim and request an inspection report.
- If we need to investigate further, Goldleaf will request that you send us the product. Once this is authorized, we will send you a Return Merchandise Authorization (RMA) number which must appear on all returned cartons.

Guarantee

Goldleaf Plastics, Inc. stands behind the quality of every item we sell, and we back up this pledge with a 90 day manufacturer defect warranty. The warranty is not applicable if the parts have been damaged by abuse, accident, misuse, misapplication, or if the parts have been altered.

We appreciate your business and look forward to serving you in the future.
